

REMARKS

Applicant respectfully appreciates Examiner kind and thoughtful suggestions and instructions during the telephonic interview so as to put claims in position of allowance.

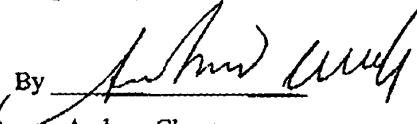

Claims 1 and 10 are amended according to Examiner instruction.

Claims 11 and 12 are newly added reinstating, respectively, original claims 3 and 4 which were suggested to be included by Examiner. Applicant again wishes to thank Examiner kind thought.

Claims 1, 2, 5, 6, 10, 11 and 12 are pending in the present application.

For all the above reasons, applicant asserts that all the pending claims are now in proper form and are patentably distinguishable over the prior art. Therefore applicant submits that this application is now in condition for allowance, and an action to this effect is earnestly requested.

Respectfully submitted,

By
